

Ocean® BONDI

Wave Design for Every Occasion

An exclusive collaboration with StudioLevien

Robin Levien RDI

Honored as a UK Royal Designer for Industry, he has received multiple international awards, with work featured in the V&A Museum.

“I am a perfectionist trying to master the art of imperfection.”

StudioLevien

Studio Levien designs functional, beautiful products for everyday use, partnering with global brands across home and hospitality.

Wave-inspired design

THE COLLECTION

Subtle in form and versatile in function, this universal glassware range draws inspiration from the gentle rhythm of ocean waves. With a focus on balance and clarity, each piece is designed to suit both everyday use and special occasions—from whisky and water to cocktails and iced beverages.

Whether enjoyed individually or as a complete set, BONDI offers a seamless blend of aesthetic simplicity and practical utility.
